Address _____ Phone _____

I certify that the equipment information is accurate, including claims of efficiency, size and HVAC system information. I recognize that Access Energy Cooperative may verify the information I have provided.

Contractor's Signature _____ Date _____

Rebate Total _____

Air Source Heat Pump Rebate Application Requirements

ELIGIBLE MEMBERS

- Access Energy Cooperative residential members are eligible for rebates when buying a qualified ground source heat pump and installing basement/crawlspace/slab insulation at the time a ground source heat pump is installed.
- Member must use 6000 or more kilowatt-hours annually. The structure in which the member resides must be a permanent structure on a permanent foundation on land owned by the member.

REBATE DETAILS

- Dual fuel air source heat pumps ≥ 17 SEER — \$250 per ton
- Mini-split air source heat pump ≥ 17 SEER — \$250 per ton
- Air-to-air source heat pumps ≥ 16.5 SEER — \$100 per ton

ELIGIBLE HEAT PUMP EQUIPMENT

- Equipment must be a new, matched heat pump system certified by ENERGY STAR®.
- Access Energy Cooperative may inspect the home to determine if appropriate insulation is present in the ceiling and walls.
- Heat pumps that receive rebates may be subject to Access Energy Cooperative load control programs. The participant agrees to allow Access Energy Cooperative to control their heating and cooling equipment now or in the future.

EXISTING EQUIPMENT

- Space Heating: The heat pump may be used to replace existing electric, natural gas or propane space heating equipment in the home.

INSTRUCTIONS

- Access Energy Cooperative will issue rebates in the form of a check to the name on account.
- Please submit rebate within 90 days of purchase.
- A copy of the dated sales receipt or invoice must be included with the rebate application.
- Please allow at least 6–8 weeks for rebate processing.
- Please keep a copy for your records.

Access Energy Cooperative will issue rebates in the form of a check if over \$250. If under \$250, rebate will be applied to member's electric account.

DISCLAIMER

Access Energy Cooperative is not responsible if your HVAC contractor, retailer, builder or other party provides you with inaccurate information about the amount or conditions of the actual rebate. Access Energy Cooperative will not rebate equipment that has been mislabeled or misrepresented. Access Energy Cooperative reserves the right to inspect the heat pump and its installation at the address indicated on the front of this application. Access Energy Cooperative is not responsible for any lost, late, stolen, illegible, misdirected or postage due mail. All completed applications will become the property of Access Energy Cooperative. Rebate qualification and amounts are subject to change at Access Energy Cooperative's discretion and the program may end at any time without notice.
