Electric Vehicle Charging Station Rebate Information

LOAD CONTROL TERMS

- Access Energy Cooperative and/or its power supplier, at their expense now or in the future, has the right to manage (control) the member's electric vehicle charging station load at such times and periods as determined by the cooperative and/or its power supplier. The load will not be controlled for more than six (6) consecutive hours in any twenty-four (24) hour calendar day. The control equipment may be installed at any time after the execution of this agreement.
- This agreement will remain in effect for the lifetime of the charging station. Cancellation of the agreement may result in a reimbursement of the rebate.
- Access Energy Cooperative and/or its power supplier shall not be liable to the member for any damage or loss which may be alleged to result from any malfunction of the control equipment installed under this Agreement, or from any electric power interruption, including interruptions caused by the control by Access Energy Cooperative or its power supplier.
- This Load Control Agreement shall be binding upon the parties and their respective successors and assigns executed the day and year first above written.

INSTRUCTIONS

- Applicant must be a member of Access Energy Cooperative.
- Rebates are limited to eligible services (homes, lake homes, shops, barns, etc) that use more than 6,000 kilowatt-hours of electricity on an annual basis.
- The vehicle charging station must be installed where electricity is supplied by Access Energy Cooperative.
- The structure in which the charging station is installed must be a permanent structure on a permanent foundation on land owned by the member.
- Equipment must be new and ENERGY STAR rated.
- Access Energy Cooperative reserves the right to complete an on-site inspection of the vehicle charger after installation.
- Member can submit up to two \$250 vehicle charging station applications per location.
- Complete a separate application for each installation.
- Member must include a copy of the original dated sales receipt with this application.
- Submit a completed application and sales receipt within 90 days of purchase.

DISCLAIMER

Access Energy Cooperative is not responsible if your contractor retailer, builder or other party provides you with inaccurate information about the amount or conditions of the actual rebate. Access Energy Cooperative will not rebate equipment that has been mislabeled, misrepresented or previously owned. Access Energy Cooperative reserves the right to inspect the equipment and its installation at the address indicated on the front of this application. Access Energy Cooperative is not responsible for any lost, late, stolen, ineligible, misdirected or postage due mail. All completed applications will become property of Access Energy Cooperative. Rebate qualifications and amounts are subject to change at Access Energy Cooperative's discretion and the program may end at any time without notice.
